Joining forces with Airship!

Project posted on Apr 24, 2019

Accengage, Europe's #1 Push Notification Technology provider, is joining forces with Airship (formerly Urban Airship), the world's pioneer and largest company in push notifications and digital customer engagement.

Together, we are the global leader in mobile customer engagement with nearly 300 employees worldwide, more than 1,500 customers and Europe's largest team of over 100 local engineering, service and customer success professionals, all dedicated to your success.
